

MJ Soul

Premium Wedding Singer

2026 / 2027

Meet your wedding singer

MJ Soul is a professional wedding singer / songwriter known for his smooth soulful vocals, romantic style, and ability to create unforgettable moments through live music.

With years of live performance experience, MJSoul specialises in bringing warmth, elegance, and emotion to weddings. His versatile repertoire blends **Soul, Reggae, R&B, Motown, and timeless love songs**, carefully chosen to suit every part of the wedding day — from the emotional walk down the aisle to the relaxed drinks reception and magical first dance. He also has a string of his own Soul hits that have featured in the top 10 of UK Soul Charts.

MJSoul's performances are known for their **authenticity, heartfelt delivery, and polished professionalism**, helping couples create a soundtrack that truly reflects their love story.

Whether performing intimate Ballads or uplifting Soul classics that get guests dancing and singing along, MJSoul focuses on creating a personal, memorable experience for every couple and for their guests.
